2. reaffirms the ideal of service as fundamental to Rotary as expressed in Rotary's guiding principles—the Object of Rotary, the Four-Way Test, and the Avenues of Service.

94. To Consider Restoring Rotary's Core Values to the Order in Which They Were Originally Adopted

Statement: Noting that Rotary's core values adopted by the Board in 2010—service, fellowship, diversity,

integrity, and leadership—have been listed in a different order in subsequent publications, District 2840 (Japan) submitted Resolution 18R-02, requesting that to clear up confusion regarding the core values, the order be restored to as originally adopted.

women, District 5440 (USA) submitted Resolution 18R-30, requesting the Board to focus its efforts on achieving equal participation and representation of women in all Rotary programs, initiatives, membership, and leadership.

DECISION: The Board

1. thanks District 5440 (USA) for its Resolution 18R-30;

97. To Consider Requiring Each Director to Publish Board-related Activities in Their Relevant Rotary Magazine

Statement: Noting that clubs have few opportunities to learn about Board-related activities and that Rotarians can be unaware of Rotary policies and direction, District 2840 (Japan) submitted Resolution 18R-28, requesting that each Rotary International director be required to regularly publish details of Board-related activities.

DECISION: The Board

Statement: Noting that policy changes at the 2016 Council on Legislation led to confusion among some clubs regarding mandatory versus discretionary Rotary policy, the Rotary Club of Osaka, Japan submitted Resolution 18R-04, requesting the Board to clarify which practices and procedures are mandatory and which are discretionary.

DECISION: The Board

1. thanks the Rotary Club of Osaka and District 2660 (Japan) for its resolution 18R-04;
2. notes that existing Rotary requirements and best practices for clubs are outlined in Rotary's constitutional documents and that Board policy statements use the words "should" for *discretionary* practices and "shall" for *mandatory* ones.

100. To Consider Publishing a Manual Outlining the Proper Method for Entering Club Data in Rotary Club Central

Statement: Noting that some clubs could use more guidance in correctly entering data into Rotary Club Central, the Rotary Club of Rosario, S. F., Argentina, submitted Resolution 18R-06, requesting the Board to publish a manual on the correct procedures for entering this data.

DECISION: The Board

1. thanks the Rotary club of Rosario and District 4945 (Argentina and Uruguay) for its Resolution 18R-06;

101. To Consider Recommending That Clubs Display The Four-Way Test

Statement: Noting that The Four-Way Test is one of Rotary's guiding principles and that the Standard Rotary Club Constitution references the test as a means for

qualifying club membership, District 2580 (Japan) submitted Resolution 18R-05, requesting the Board to recommend that The Four-Way Test be posted at club meetings.

DECISION: The Board

1. thanks the Rotary District 2580 (Japan) for its resolution requesting the Board to consider recommending that clubs display The Four-Way Test;
2. applauds the intention of the resolution and notes that The Four-Way Test is part of the Manual of Procedure (MOP) even though it is not a trademark of Rotary International;
3. noting that many clubs prefer flexibility regarding the signs or banners they put on display to best fit with their culture, values, and interests, and that The Four-Way Test is not an official Rotary motto, nor a registered Rotary trademark, does not agree to recommend that Rotary clubs display The Four-Way Test.

102. To Consider Allowing Clubs to Report All Volunteer Hours

Statement: Noting that under the current system, volunteer hours cannot be reported for club administration, fundraising, and project planning, the Rotary Club of Central Blue Mountains, N.S.W., Australia submitted Resolution 18R-08, requesting the Board to include these categories among the options for reporting volunteer hours in Rotary Club Central.

103. To Consider Requesting a Report on Club Obligations Prior to Terminating a Club

Statement: Noting that terminated clubs holding financial obligations in connection with grants and other Foundation-related projects can have a detrimental effect on others who were also involved in those grants and

projects, the Rotary Club of Villa Nueva, Cord. Argentina, submitted Resolution 18R-10 requesting the Board to request a detailed report from the district governor on the status of a club's pending obligations before a club is terminated.

DECISION: The Board

1. thanks the Rotary Club of Villa Nueva, Cord., Argentina, for its Resolution 18R-10;
2. applauds the intention of the resolution and notes that Rotary clubs are terminated for three primary reasons: failure to pay RI dues, voluntary rescinding of their charter, or for failure to function;
3. noting that the leadership in a terminated club remain liable for their previous commitments, including financial commitments and grant reports, does not agree to request a report on club obligations.

104. To Consider Officially Recognizing the District Internet Communications Officer

Statement: Noting that some districts appoint an internet communications officer and that since this position is not an official position under the district leadership plan, the information available to the person in this position is limited, the Rotary Club of Winterthur, Switzerland, and Districts 1980 and 1990 (Switzerland) submitted Resolution 18R-15, requesting the Board to officially recognize the district internet communication officer.

DECISION: The Board

1. thanks the Rotary Club of Winterthur, Switzerland, and Districts 1980 and 1990 (Switzerland) for their Resolution 18R-15;

DECISION: The Board

1. thanks the Rotary Club of Rasinpuram, Tamil Nadu, India, for its Resolution 18R-16;
2. noting that the RI Board streamlined the district committee structure based on governor feedback, encourages districts to appoint district secretaries as best serves their clubs.

106. To Consider Allowing Rotaract, Interact, and Inner Wheel to Maintain Web Pages on Rotary.org

Statement: Noting that Rotary International comprises a variety of programs, projects, and activities, and that being apprised of what each of these groups is engaged in could be of interest to Rotarians at large, the Rotary Club of Rosario, S. F. Argentina, submitted Resolution 18R-27, requesting the Board to include separate pages on rotary.org for Rotaract, Interact, and Inner Wheel.

DECISION: The Board

1. thanks the Rotary Club of Rosario, S. F., Argentina, for its resolution 18R-27;
2. noting that significant new Rotaract-related functionality is currently being integrated into MyRotary, and that Europe's new General Data Privacy Regulation law precludes data collection on minors, and further noting that Inner Wheel is an organization independent of Rotary, does not agree to make special provisions for these groups on rotary.org at this time.

107. Resolutions Requesting Trustee Action

Statement: The 2018 Council on Resolutions submitted five resolutions regarding The Rotary Foundation that require trustee action.

108. Livestreaming Convention Events

Statement: In decision 54, October 2018, the Board requested the general secretary to review the feasibility of livestreaming convention events as a member engagement tool, particularly considering the financial impact, for report at this meeting. The general secretary reported that livestreaming is an accepted convention industry strategy for increasing live attendance at future events, it supports Rotary's strategic objectives of growing and diversifying participation in Rotary, it increases Rotary's appeal, develops value for participants, and offers opportunities for personal and professional connection. The general secretary further reported that livestreaming can increase engagement with the 35–54 year-old demographic, which is crucial for Rotary's membership growth and sustainability.

DECISION: The Board

1. requests the general secretary to
 - a. offer content from the 2020 RI (Honolulu) Convention via a livestreaming platform;
 - b. explore methods for on-demand distribution of captured content after the 2020 convention;
2. agrees that livestreaming of 2020 Honolulu convention content shall be funded by the convention reserve fund.

DECISION: The Board

1. tentatively selects Melbourne, Australia, as the site for the 2023 RI convention on 26-31 May 2023, using the Melbourne Convention & Exhibition Center and Rod Laver Arena as the primary venues, subject to the general secretary's successful negotiation of an appropriate block of hotel rooms, adequate space in which to hold all convention activities, a transportation agreement, thorough review of related tax implications, and any other agreements necessary to memorialize the proposal from the host area, and requests the general secretary to provide a status report at the June 2020 Board meeting;
2. requests the general secretary to inform the bid teams in Melbourne, Australia, and London, England, of the Board's decision.

110. Rotaract Per Capita Dues

Statement: In decision 55, October 2018, the Board requested the general secretary to investigate the operational and financial impact of collecting annual per capita dues from Rotaract members to provide these members additional services starting 1 July 2020. The general secretary reported several governance and technological considerations in implementing a Rotaract dues structure and further reported that surveys are currently underway to determine the products and services that Rotaractors are most interested in, which will help in establishing an appropriate dues structure.

DECISION: The Board

1. receives the general secretary's preliminary report on Rotaract per capita dues;
2. requests the general secretary to report on the results of the cost of membership survey at the April 2019 Board meeting.

111. Exception to Interact Club Sponsorship Policy

Statement: Past director Noel Trevaskis requested the Board to consider an exception to policy request from two Australian Rotary clubs to allow for their co-

sponsorship of an Interact club (one of the clubs is situated in a different district than the Interact club, which would require a policy exception to be implemented).

DECISION: The Board does not agree to grant an exception to its policy to permit the co-sponsorship of the Interact Club of Aitken College by clubs in two districts: the Rotary Club of Brunswick Tullamarine (District 9800), and the Rotary Club of Greenvale (District 9790);

112. Youth Exchange Travel Insurance

7. amends the Rotary Code of Policies regarding Rotary Fellowships to simplify reporting requirement, eliminate unenforceable policies and to streamline program support, as shown in Appendix K;
8. denies recognition of the proposed Strategic Planning Rotarian Action Group, noting that the topic and purpose does not align with the purpose of an Action Groups and the proposed entity appears to duplicate the purpose of the RI Strategic Planning Committee and the responsibilities of regional leaders.

116. Toastmasters Partnership

Statement: The Board considered an opportunity to develop a partnership with Toastmasters International.

DECISION: The Board authorizes the general secretary to work with Toastmaster's International to develop and launch a co-branded online product, including communication and leadership modules, to be made available first to Rotaract clubs, then non-club based participants and Rotary Clubs, and approves a budget of US\$230,000 through 2021 for this purpose.

117. Report on Additionally-Supported Districts

Statement: At its January 2018 meeting, the Board reviewed a dispute in District 1420 (Estonia and Finland) where an administrative organization called Eesti Rotary Klubid (ERK) was operating to support Estonian clubs, which, however, was in conflict with the existing district structure. The Board requested specific measures be taken by the district leadership and ERK and further requested Director Ahlberg to meet with Estonian club presidents and presidents-elect to oversee the situation. Past Director Ahlberg with Past Director Pandel visited the clubs and reported that an agreement between District 1420 and ERK had been signed but that additional Board oversight could help ensure that the dispute remains resolved.

DECISION: The Board

1. thanks past RI Directors Mikael Ahlberg and Ekkehart Pandel for their report regarding Eesti Rotary Klubid (ERK);
2. acknowledges that ERK has signed an agreement to dissolve their entity and notes that it will take at least six months to complete;

Confidentiality

Members of the nominating committee, prior to and following the meeting of the committee, shall not discuss with other members of the committee or any other person the work of the committee, and shall at no time discuss or divulge any of the deliberations or discussions of the committee, except as they may participate in the deliberations of the committee at the time of its meeting. This confidentiality may be waived solely by the Board, or the RI Election Review Committee acting on its behalf, in order to investigate any duly filed election complaint.

Preparation for the Committee Meeting

1. The general secretary will assign a member of the Secretariat staff to work with and for the committee with instructions that all aspects of the work of the committee are to be kept in strict confidence.
2. Candidates for RI president shall be asked to submit a statement not to exceed 300 words outlining their vision and goals for Rotary.
3. In accordance with RI bylaws section 12.050.2., which provides for candidates for RI president to be given an opportunity to be interviewed by the committee, the RI Board will develop three to five questions annually that candidates will be asked to answer in writing. There shall be a 150-word limit on a candidate's answers to each of the three to five questions. At the same time, the Board shall approve a list of key issues facing Rotary that will be shared with the nominating committee.

~~10.9. The committee shall elect a member of the committee as its chairman. Another member shall be elected as secretary.~~ The election of the chairman and secretary shall be conducted under the direction of the general secretary, who shall prepare and distribute a ballot listing each member of the nominating committee. Each member of the committee shall cast one vote for the chairman. The general secretary, or a member of his staff, shall count the votes and announce the results. If nine (9) votes are not received by any member of the committee, a second ballot shall be held. Voting shall continue on successive ballots until nine (9) votes are received. After the election of the chairman, the procedure outlined above shall be used to select a committee secretary.

At the Committee Meeting

§10. The members of the nominating committee shall be seated in alphabetical order.

9-11. If nine (9) votes are not received by any member of the committee, a second ballot shall be held. Voting shall continue on successive ballots until nine (9) votes are received. After the election of the chairman, the procedure outlined above shall be used to select a committee secretary.~~

11.12. Following the instructions provided by the general secretary, election of the chairman and secretary, no one is to be in attendance during the meeting of the committee other than the duly elected members of the nominating committee and any interpreters needed for members of the committee, except that the general secretary or his assigned staff member may be called into the meeting upon the request of the chairman or other member of the committee. This staff person shall assist the committee during the course of its meeting, should any assistance be required, and shall work under the direct supervision of the chairman of the committee.

12.13. Before the committee begins its deliberations, the chairman shall inquire whether any member of the committee has been contacted by or on behalf of any candidate, or is aware of any effort to influence members of the nominating committee, either directly or indirectly, and, if so, to bring these to the attention of committee at this time. The chair shall at this time ask all committee members to review and sign a written disclosure statement of any attempt to influence members of the committee.

13.14. The questions to be asked each candidate shall be developed with the entire committee present on the morning of the meeting. The general secretary shall allow at least 90 minutes between the beginning of the meeting and the first interview for the committee to develop and discuss its questions. In advance of the meeting, the general secretary will invite committee members to bring two suggested questions to the committee meeting to assist the committee in developing the questions it wishes to ask the candidates.

The finalists shall be interviewed in alphabetical order. The general secretary shall provide a timing device that is visible to both the committee secretary and the candidate for timing the candidates' responses. The general secretary will inform candidates that they may bring and refer to notes during their interview.

~~15.16.~~ Following the interviews, but before conducting a ballot for president, the nominating committee shall discuss the qualifications of each candidate. No member of the committee should leave the room once the committee has started the deliberation process until the nominee has been selected.

17. Following the discussion of all of the candidates, the chairman shall distribute ballots prepared by the general secretary containing an alphabetical list of candidates and instruct each member of the committee to vote for four candidates.

All voting conducted under this paragraph shall be conducted by secret ballot. After the secretary announces the results of this ballot, similar steps shall be followed to reduce the number of candidates to two and, finally, to one. Notwithstanding the foregoing, a candidate eliminated during a previous round of balloting may be reconsidered at any point if requested by at least six members of the committee. Voting must continue until there are two candidates remaining and one of the final two candidates receives at least ten votes, regardless of whether any candidate received ten or more votes in a previous round of voting. The committee shall not select an alternate, and the candidate who finishes second in the final vote shall not be considered to be an alternate.

18. In the event of a tie in voting for the final four or two candidates, the candidates involved in the tie shall proceed to the next round of voting. If there are more than two candidates in the final round of voting and no candidate receives 10 votes in the initial vote, the lowest vote-getter shall be removed from further consideration on subsequent ballots.

~~16.19.~~ The RI bylaws (section 12.050.3.) provide that "Twelve members of the committee shall constitute a quorum. The transaction of all business of the committee shall be by majority vote, except that in the selection of the committee's nominee for president, the votes of at least ten members of the committee shall be cast in favor of such nominee."

~~17.20.~~ The report of the committee naming its nominee shall be signed by the chairman on behalf of the committee and be delivered and certified to the general secretary. (In the past, this has been done before the committee adjourned.) This report is to be the only formal record of the committee. The general secretary will notify each club of the contents of the report and the names of the nominating committee in accordance with the RI bylaws.

~~18.21.~~ Should the selection of another nominee for president be necessary, the general secretary shall contact those past directors who previously indicated to the general secretary that they wished to be considered by the nominating committee. The names of the candidates who still wish to be considered shall be considered by the committee. The procedures to be used at any emergency meeting of the committee shall follow these procedures as closely as possible.

Subsequent to the Meeting

~~19.22.~~ The vision and goals statement and written answers to the interview questions developed by the RI Board submitted by the candidate chosen by the Nominating Committee for RI President shall be made available to Rotarians.

The Board shall prescribe the duties and authority of all committees and, except for the standing committees, provide for continuity of committee members from year to year.

Interim Provision Relating to Section 17.010.

Amendments to section 17.010. adopted at the 2019 Council on Legislation pursuant to council enactment 19-75 shall be implemented by the Board in a manner it deems appropriate.

(End of Text)

PURPOSE AND EFFECT

The proposed enactment would provide for equal numbers of three Rotarians and three Rotaractors on the Rotaract and Interact Committee and provide that a Rotarian and Rotaractor would serve as committee co-chairs. Currently, RI Presidents are encouraged to appoint more than the minimum number of Rotaractors and have appointed a Rotaractor as co-chair of the committee.

The proposed enactment would also remove Interact from the responsibilities of the committee in order to emphasize Rotaract as a membership experience distinct from Interact as a youth program conducted by clubs. The president may appoint an Interact committee, as appropriate. Clubs, districts, and certain senior leaders may bring any items concerning Interact to the Board by petition or through the Council on Resolutions.

PROPOSED ENACTMENT 19-95

To establish a new target and define the General Surplus Fund

Proposer(s): Board of Directors of RI

*To amend the **BYLAWS** of Rotary International as follows (page 78 MOP)*

Article 18 Fiscal Matters

18.050. Budget.

18.050.6. *Expenditures in Excess of Anticipated Revenue; General Surplus Fund.*

Notwithstanding the provisions of section 18.050.4., if at any time the general surplus fund is greater than ~~85~~ 55 percent of the highest level of annual expenses during the most recent three-year period, excluding expenditures funded from the general surplus fund and ~~the~~ self-financing expenditures ~~on~~ for the annual convention and the council on legislation, the Board, by a three-quarters vote, may authorize the expenditure of amounts in excess of anticipated revenues, provided, however, that such expenditure would not ~~cause decrease~~ cause decrease the general surplus fund ~~to decrease~~ to decrease below 100 percent of such ~~85~~ 55 percent level. Full details of the excess expenditure and the circumstances leading thereto such authorization shall be reported by the president to all officers of RI within 60 days and to the next convention. The general surplus fund shall be defined as RI's cash and investments, excluding funds held in restricted currencies, funds restricted for a specific purpose by the bylaws or the Board and funds necessary for RI's daily operations.

(End of Text)

PURPOSE AND EFFECT

The RI Board seeks to modernize RI's policy for reserves to meet future foreseen and unforeseen events, in accordance with principles of good governance. The RI Board consulted third-party experts on establishing an appropriate level (or target) for reserves in accordance with principles of good governance.

The RI Board also undertook a study of an appropriate definition of the General Surplus Fund.

The RI Board proposes:

- an appropriate level of reserves is 55 percent of annual operating expenses based on an assessment of business risks
- a definition of the General Surplus Fund to be included in the RI Bylaws

1. Appropriate level of reserves:

Section 18.050.6. of the RI Bylaws specifies the circumstances under which the RI Board may approve a budget in which expenses exceed revenues. Based on an assessment of RI's business risks, this enactment recommends that the appropriate level of the General

Surplus Fund should be 55 percent of annual operating expenses (less the expenses of the RI Convention and the Council on Legislation).

2. Definition of general surplus fund:

The RI Bylaws specify circumstances under which the General Surplus Fund can be used but do not define the general surplus fund. A definition has been added to section 18.050.6. of the RI Bylaws to ensure that the measure of reserves properly reflects funds available for future foreseen and unforeseen events.

Amounts such as operational cash/working capital, funds held in restricted currencies, funds restricted by the RI Bylaws or the RI Board, and intercompany trading balances should be excluded when evaluating reserves.

To provide long-term financial sustainability for RI, the General Surplus Fund should be a reserve of funds that are over and above the operating needs of the organization.
